NEIGHBORING PROJECTS

I-5 South County Improvement Project Avenida Pico to San Juan Creek Road

Construction is underway on the I-5 South County Improvement project. The 5.7-mile project will add a carpool lane in both directions on the I-5 freeway between Avenida Pico and San Juan Creek Road and reconstruct the interchange at Avenida Pico.

The northbound I-5 off-ramp to Camino Las Ramblas is scheduled to be closed until Monday, June 27, at 5 a.m. During the closure, crews will be performing work to move the off-ramp east of its current location to accommodate an additional lane on the I-5 freeway. Activities during the closure will include demolition of the existing ramp and paving for the newly aligned ramp.

For additional information about the project, visit www.octa.net/I-5Pico, and to view closure and detour information, [click here](#).

I-5 Ocean View Rehab Project

The Ocean View Rehab Project kicked off construction in October in San Diego County. The \$37.3 million project will replace the damaged concrete pavement slabs of the slow lane in each direction of the I-5 freeway between Oceanside and the San Diego / Orange County Line.

Motorists should expect delays during work hours and check Caltrans Quick Map at quickmap.dot.ca.gov for the latest freeway traffic information before leaving home. For additional information, please view the [project fact sheet](#).
